

‘Ask Jack’ how to make the pitch for inclusive business

Send us your questions by 31 January!

Don't miss the chance to send us questions for the February issue of CLUED-iN, which will focus on how to make the business case - to investors, senior managers, customers, and others - for inclusive business. We will explore the ultimate question: Why should different stakeholders support inclusive business?

Simply send your questions to info@ib-an.net by 31 January 2019 and Jack will respond via podcast released with the next online magazine issue.

About Jack Sim:

Founder of World Toilet Organization (WTO) and leading social entrepreneur, Jack Sim, believes in the power of inclusive business – and its entrepreneurs – to tackle the world's most pressing challenges.

His vision for how the business community can best address the

United Nation's Sustainable Development Goals can be summed up in just a few words – strategic collaboration.
